God never wastes time— ours or His. Santiago “Santy” Fuentes graduated with an Industrial Designer degree from Universidad Autónoma Metropolitana in Mexico City. God knew Santy’s careful eye for the details of industry would be quite useful in connecting the details and design of God’s Word to the heart-and-life intricacies of everyday people. Santy’s genuine love for people and His fervent study of God’s Word make him an effective communicator of the gospel. His ability to clearly communicate and translate in both Spanish and English continue to provide ministry opportunities in Mexico, the United States, and many other bi-lingual settings. With a life mission to “ignite hearts in fervent devotion to Jesus and revitalize the church,” Santy engages audiences of all ages with passion, truth, and authenticity.
